What Is Working in Your Favor

- No collections, public records, or bankruptcies on any bureau.
- Credit history dating back to 2006 (COUNTY OF LOS ANGELES).
- 2 installment loans closed paid as agreed.
- About $81,890 in open revolving limits, including $0-balance lines at BEN BRIDGE ($15,000), CAPITAL ONE ($5,000), CHASE ($800).

Action Needed

Utilization is the biggest lever still in your hands. CBNA at 88% ($30,748 of $35,000) is the largest score suppressor on your file, followed by NORDSTROM/TD (65%), JPMCB CARD (55%), NEIMAN MARCUS/CAP ONE (48%). Bringing balances under 30% on the next statement cycle can add projected points on top of the dispute work.

Keep every account current - one new late payment could undo this progress.

Your Roadmap

ROUNDS 1-2 COMPLETE ->	3 items removed or corrected	**DONE**
ROUND 3 ACTIVE ->	TOYOTA MOTOR CREDIT, CB/RH, CB/VICSCRT	**IN PROGRESS**
UTILIZATION ->	Bring CBNA, NORDSTROM/TD, JPMCB CARD < 30%	**CLIENT ACTION**
SCORE GOAL ->	651-682 projected	**TARGET**

Middle Score	
Current	607
Projected goal	651-682 (projected)
Gap remaining	44-75 points

Your Personalized Action Plan

Step 1 - Our team (Round 3): we are actively disputing TOYOTA MOTOR CREDIT, CB/RH, CB/VICSCRT, FREEDOM MORTGAGE.

Step 2 - Your part (utilization): lower CBNA, then NORDSTROM/TD, then JPMCB CARD, then NEIMAN MARCUS/CAP ONE, aiming for under 30% on each card.

Step 3 - Protect your gains: keep every account current and avoid new credit applications while Round 3 is in progress.

Step 4 - Timeline: Round 3 results are expected within 30-60 days. Utilization changes show up on the next statement cycle.

Step 5 - Next check-in: we will pull a fresh 3-bureau report when Round 3 closes and send your next progress report.
